

Join in the inspiration and excitement of NASA launches by registering to receive information and participation opportunities for each NASA launch!

Sign up here to receive notification for each virtual launch opportunity:
<https://go.nasa.gov/3aH80Az>

Register yourself, your classroom, your family, or group for one launch or *EVERY* launch!

Thank you so much for the experience! This is the best thing that ever happened to me, watching the Perseverance Rover fly to the Red planet even though virtually! The best

~ Mars 2020
Virtual Participant

In spite of the fact that it's a virtual launch, it still gives for us a great feeling that we are part of something really incredible and big, that we are part of this team and event.

~ CRS-21

FAQs

What does registration provide? Registration provides – emails regarding launch changes, curated launch and mission information, details about participation opportunities, and, after launch, a stamp for your virtual launch passport!

Is it free? Yes! All resources, participation, and registration are FREE.

How do I get a passport? Get your passport [here](#).

When are NASA Virtual Guest Operations available? NASA will create a registration opportunity for virtual guest operations for launches and milestones prominently featuring NASA Crews, hardware, cargo, and experiments. For commercial launches without a NASA mission, NASA will not create a registration opportunity.

Wow!! Super Surreal Stars!!
This virtual participation is beyond words! What a great opportunity & privilege to be part of history!!
You guys rock!!
